**REGISTER** **CANCEL**

**Once you are registered login into app using company credentials.**

The screenshot shows the login screen of an app titled 'Secureit\_1'. The background is a solid blue color. At the top, there is a status bar with the time '11:22', various icons, and the text 'Idea 4G' and '15%'. Below the status bar, the app title 'Secureit\_1' is displayed in white. The main heading 'Just Secure it' is also in white. There are two white input fields: one labeled 'Email' and one labeled 'Password'. Below the input fields, there are two buttons: 'LOGIN' and 'REGISTER', both in white text on a grey background.

**You will see a 6 digit password generated .**

Use this password as totp at your company website to login .
